Correction: A survey of foot problems in community-dwelling older Greek Australians

Patricia Kaoulla¹, Nicoletta Frescos¹ and Hylton B Menz^{2*}

Correction

Since the publication of our Research article [1], the copyright of the Manchester Foot Pain and Disability Index (MFPDI) now states a licence agreement is required for publication. As a result, Additional file 2 has been removed, the English language version of the MFPDI can be found through the ISIS Outcomes website [2].
